

SHARANYA KUMARI

Phone: 8986693722 | Email: sharanyak43@email.com

CAREER OBJECTIVE

Detail-oriented Computer Science undergraduate seeking internships and entry-level IT roles where I can apply strong foundations in programming, data structures, web development, and problem-solving to contribute to organizational goals.

EDUCATION

Bachelor of Computer Application (B.C.A.)

Sai Nath University Ranchi, Jharkhand

Year of Graduation: 2027

TECHNICAL SKILLS

Programming Languages: C, C++, Java, Python

Web Technologies: HTML, CSS, JavaScript, React.

Database: MySQL, SQL

Core Subjects: Data Structures & Algorithms, DBMS, OOPs, Operating Systems, Computer Networks

Tools & Platforms: Git, GitHub, VS Code

PROJECTS

Clone app – HTML, CSS

- Designed and developed a web-based application using HTML, CSS.
- Implemented core logic and optimized performance.
- Gained hands-on experience in debugging and version control.

Tic-Tac-Toe Game – HTML, CSS, JAVASCRIPT

- Implemented a browser-based Tic Tac Toe game using JavaScript DOM manipulation and event handling
- Implemented game logic to handle player turns, win conditions, draw detection, and game reset functionality.

To-Do App – HTML, CSS, JAVASCRIPT

- Developed a To-Do application to add, edit, delete, and manage tasks using JavaScript DOM manipulation.
- Implemented features like task completion status to enhance usability.

Quiz Game – HTML, CSS, REACT JS

- Built an interactive Quiz Game using React with dynamic components, state management,

and score evaluation

- Implemented state management (useState, useEffect) to handle user responses, progress tracking, and result display efficiently.

INTERNSHIP / TRAINING

Training program -swayam npel Data Science course(online)

Swayam NPTEL

CERTIFICATIONS

N/A

ACHIEVEMENTS & ACTIVITIES

N/A

SOFT SKILLS

Problem Solving, Teamwork, Communication, Time Management, Adaptability
